**Patient Consent for Use and Disclosure of Protected Health Information,  
and Receipt of Notice of Privacy Practices**

I hereby give my consent for Eric Engelmann, D.C. to use and disclose protected health information (PHI) about me to carry out treatment, payment, and healthcare operations (TPO). The notice of Privacy Practices for Eric Engelmann, D.C. provides a more complete description of such uses and disclosures.

I have the right to review the Notice of Privacy Practices prior to signing consent. Dr. Engelmann reserves the right to revise his Notice of Privacy Practices at anytime. With this consent, Dr. Engelmann, or his office may call my home or other alternative location and leave a message on voice mail or in person in reference to any items that assist the practice in carrying out TPO, such as appointment reminders, insurance items, and any calls pertaining to clinical care, including laboratory results among others.

**Informed Consent For Treatment**

I hereby request and consent to the performance of chiropractic adjustments and other chiropractic procedures, to include, but not limited to, various modes of physical therapy, diagnostic x-rays and spinal decompression, on me (or on the patient named below, for whom I am legally responsible) by the doctor of chiropractic named below and/or other licensed doctors of chiropractic who now or in the future treat me while employed by, working, or associated with, or serving as back-up for the chiropractor named below, including those working at the clinic or office listed below or any other office or clinic associated with the following clinic: Eric L. Engelmann, D.C., and Engelmann Chiropractic.

I have had an opportunity to discuss with the doctor of chiropractic named below the nature and purpose of chiropractic adjustments and other procedures. I understand that results are not guaranteed.

I understand and am informed that, as in the practice of medicine, in the practice of chiropractic there are some risks to treatment including, but not limited to, fractures, disc injuries, strokes, dislocations and sprains. I do not expect the doctor to be able to anticipate and explain all risks and complications, and I wish to rely on the doctor to exercise judgement during the course of the procedure which the doctor feels at the time, based upon the facts then known, and is in my best interest. Alternative treatments may include: medication, surgery, or Physical Therapy procedures. As with any of these alternative procedures there are risks. If no treatment is sought, your condition could get worse, remain the same, or improve.

I have read, or have had read to me, the above consent. I have also had an opportunity to ask questions about its content, and by signing below I agree to the above named procedures. I intend this consent form to cover the entire course of treatment for my present condition. Any new condition other than what I am being treated for will be explained to me and a new consent will be signed.
